# CASE STUDY

St. Brigid's, Oldcastle, Ireland

Project information:

July 2021

CONIPUR SP

Red

900m<sup>2</sup>

St Brigid's Athletics Club recently completed upgrades to its facilities in Oldcastle, County Meath, Ireland.

The development works included a 120m six lane sprint track and 35m single lane long jump run up, both surfaced using CONICA's CONIPUR SP.

CONICA's sports installation customers Sole Sports and Leisure Ltd and Sports Ground Specialists completed the project on behalf of the contractor, Norbett Henry.

The club self-funded part of the project by holding fundraising events, and had support from the Sports Capital Programme and the Leader Programme.

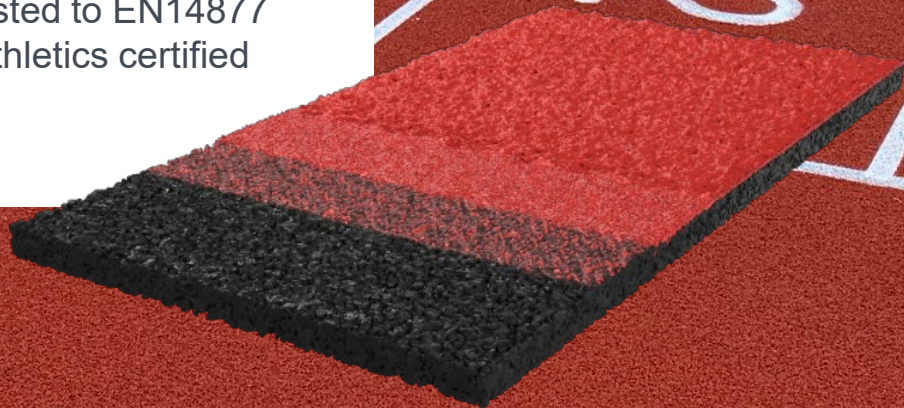

## CONIPUR SP

Water permeable spray coated athletics track system

13mm thick polyurethane track system, with a PUR-bound elastic layer based on recycled granules and a 3mm PUR spray coating as a top layer

### Characteristics:

- Ultra cost effective
- Water permeable
- Seamless and spike resistant
- Wide range of colours
- Fully tested to EN14877
- World Athletics certified
